

## August 2024 ARTS News!

**WOW! The Carson Valley Arts Council is celebrating our 20th Anniversary beginning in August and all year long. 20 years ago several dedicated people decided that the ARTS should be a priority in our community.**

Our new membership year began July 1. Time to renew your CVAC membership. Thank you for your support. Community donations make the ARTS come alive in our local schools. We are currently finalizing the CV Artist Studio Tour and next season's concerts and need your help. Carson Valley Arts Council is currently looking for sponsors for 2024-25! Contact our office or look on our website for sponsorship opportunities.

Community arts projects only happen if the Carson Valley Arts Council has volunteers to help plan and carry out the projects. You don't have to be an artist to volunteer. There is something for everyone! Call the CVAC office or check out our website.

YOU can join your neighbors and friends to support the arts in Carson Valley with your membership in the Carson Valley Arts Council. Visit our website or call our office or stop by for membership information and form.

## **JANICE STOWERS AND RETA HANKS FEATURED ARTISTS AT THE COPELAND GALLERY**

Carson Valley Arts Council (CVAC) presents local glass artist Janice Stowers and watercolor artist Reta Hanks at the Copeland Gallery in Minden from July 2 through August 30, 2024.

## **Janice Stowers**

Janice has had a love for Art Glass for many years. Touring glass blowing facilities in Germany and Switzerland fueled her infatuation with the medium. In 2003 she participated in a glass fusing class in Reno, not realizing she would become totally obsessed with the idea of creating her own designs.

## **Reta Hanks**

One of Reta's favorite pass times is painting, and her favorite medium is watercolor. Watercolor takes on a life of its own and tends to create a unique result on paper. I like painting landscapes and I also like to dream up whimsical colorful abstracts that may include pen and ink. I hope to spark the viewer's imagination. I also enjoy using oils and a palette knife, no brushes, to create small brightly colored paintings. This technique produces lots of interesting texture.

Janice and Reta's exhibit can be viewed Monday through Saturday 10 am to 5 pm. Their work will be available for purchase.

Feel free to contact us for additional information or questions by calling the Carson Valley Arts Council office at 782-8207. Visit our website at [www.cvartscouncil.com](http://www.cvartscouncil.com) to learn more about CVAC and upcoming events.
